

INFAREX K10 Gaming Keyboard **WIN WITH FLYING COLORS**

XPG INFAREX K10 Gaming Keyboard

Add a new dimension to your gaming experiences with the XPG INFAREX K10 gaming keyboard. With nine RGB lighting modes to choose from, you can switch up the effects to suit the game you're playing or whatever mood you're in.

Game on with 9 Lighting Effects Anti-Ghosting Keys

Enhance gameplay and immersion with an RGB lighting effect that matches the game you're playing or your present situation on the battlefield.

In the heat of the moment, a missed keypress could spell defeat. With 26 anti-ghosting keys, fight on without fear of missing or unexpected key presses.

No More Windows Key Mishaps

There's nothing worse than having a wrong key press take you out. The K10 features a Windows key lock shortcut that makes sure a minor mishap won't cost you the fight.

Media Keys

Make quick adjustments to music, sound, or other effects in the middle of a battle without having to open other programs or apps.
